FARMERS SIZE UP HUGHES AS "PRETTY GOOD FELLOW"

Fargo, N. D.—Charles E. Hughes campaigned for the first time among the sturdy farmers of the eastern part of North Dakota and left behind him the reputation of being a "pretty good fellow."

He was forced to undergo a critical scrutiny before the verdict was given. Mr. Hughes preached the doctrines of government efficiency, Americanism, tariff as protection to the farmers and preparedness, and in each instance won applause, despite the fact that the farmers are not the strongest advocates of the last named issue.

They cheered for preparedness the loudest when Mr. Hughes told them that it meant not militarism, but ability to uphold national honor.

As they cheered for Mr. Hughes one broad shouldered old farmer said, "It's because there's something about him that makes you believe he's telling the truth."

ATTRACTS BUSINESS MEN.

Mr. Hughes has not tried to scare anybody, but has merely portrayed the errors of the present administration and set forth certain principles on which the affairs of the country should be managed in the future.

There is a political logic in his portrayal, the culmination of which in the mind of the voter is expressed by the frequent remark:

"He is the kind of man we want to steer us through."

This has been said by many a business man. The qualities seen in Mr. Hughes are poise, a strong, sane mind, sincerity and a willingness to sacrifice life, physical or political, to the good of the country. Nor is there any question as to the quality of nerve to meet the emergencies of the four years beginning March 4, 1917.

 + THE RIGHTS OF AMERICAN
 + CITIZENS DO NOT STOP
 + AT THE COAST LINE.
 +

"When I say that I am an American citizen I ought to say the proudest thing that any man can say in this world. But you can't have that pride of American citizenship is a cheap thing, if it is not worthy of protection this wide world over. There is no man who could successfully present to an American community the platform that an American citizen's rights stop at the coast line and that beyond that American life is to be the prey of any marauder who chooses to take it."—From a Speech of Mr. Hughes in the West.

At the annual meeting of postmasters in Washington recently the first assistant postmaster general lauded the postal savings system. That must have been a bitter pill for Postmaster General Burleson, who sat on the same platform with his assistant. When the postal savings bill was passed Mr. Burleson, then a congressman from Texas, voted against it. Every vote cast against it was cast by a Democrat. Not one Democratic congressman voted for it. Yet President Wilson says the Republican party has not had a new idea in thirty years. Whose idea was it?

SQUARE DEAL FOR EASTERN OREGON

If you are in favor of a square deal for the country East of the Cascades you will vote for and work for THE PROPOSED EASTERN OREGON STATE NORMAL SCHOOL AT PENDLETON, OREGON. Oregon has but one Normal School. This school is located at Monmouth and is not able to supply more than TEN PER CENT of the teachers required in the public schools of Oregon. Of the more than six thousand teachers in our public schools, BUT 13 PER CENT are graduates of Normal Schools. It is a matter of simple justice to the country East of the Cascades to establish a Normal School East of the mountains to furnish thoroughly trained teachers for the schools of Eastern Oregon.

TRAINED INSTRUCTORS WANTED

Every resident of Eastern Oregon has a vital interest in the passage of this measure for Eastern Oregon pays HIGH SALARIES to her teachers and is entitled to the services of TRAINED INSTRUCTORS.

ONLY COSTS 4 CENTS PER \$1,000

The annual cost of maintenance of the proposed State Normal School amounts to BUT ONE 25TH OF A MILL OR 4 CENTS ON A THOUSAND DOLLARS of taxable property. Isn't it worth this to you to have your children trained to become USEFUL AND PRODUCTIVE citizens?

STRONG ENDORSEMENT

J. A. Churchill, the State Superintendent of Public Instruction, voices the sentiment of the educators of the state when he says:

"Oregon's greatest need for its rural schools is the teacher who has had full preparation to do her work. Such preparation can best come through Normal School training."

"I trust that the voters of the state will assist in raising the standard of our schools by establishing a State Normal School at Pendleton. The location is central, the interest of the people of Pendleton in education most excellent, and the large number of pupils in the public schools will give ample opportunity to all students to get the amount of teaching practice required in a standard normal school."

The educators of the State insist that Standard Normal Schools be located in towns of 5000 population or more and having ENOUGH GRADE PUPILS FOR TEACHER PRACTICE.

BE LOYAL AND VOTE RIGHT

Show your loyalty to the best interests of Eastern Oregon and of the whole state by working for this measure and by voting YES FOR NO. 308. By voting YES for No. 308 you will help to GIVE TO THE SCHOOL CHILDREN OF OREGON THE SAME ADVANTAGES ENJOYED BY THE SCHOOL CHILDREN OF OUR NEIGHBORING STATES.
